Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The U-RFM-16-NL from Larson Electronics is a Roof Mount for vehicles. This roof mount is designed for PAR46 halogen and LED lamps. The U-RFM-16-NL is ideal for a wide variety of applications including hunting, off-roading, security, search and rescue and farming.

The U-RFM-16-NL allows operators to reposition and direct spotlight beams from inside the vehicle by twisting and turning the handle. This allows operators to remain protected from the elements while still utilizing the roof mounted spotlight. The spotlight will maintain the desired position until the operator adjusts it again.

The U-RFM-16-NL has a leak-proof design and comes with a universal mounting bracket,

template and installation instructions.

Applications: Hunting, fishing, off-roading, security, search and rescue operations, farming applications, property maintenance and any other application that requires a powerful source of light via a roof mounted adjustable spotlight.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
