

EPL-AED-xx-SP0003-KT

Replacement Trunnion Bracket for EPL-AED Series Explosion Proof Enclosures

Product ID: 153614

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EPL-AED-xx-SP0003-KT from Larson Electronics is a Replacement Trunnion Bracket for EPL-AED series explosion proof enclosures.

The EPL-AED-xx-SP0003-KT attaches to the back of the enclosure to allow for trunnion mounting. Once mounted, the replacement trunnion mounting bracket allows the enclosure to be tilted once mounted. The EPL-AED-xx-SP0003-KT can be used to replace missing, lost, damaged or otherwise compromised trunnion mounting brackets on EPL-AED explosion proof enclosures from Larson Electronics.
