

WAL-PM

12 / 24 Volt Flood Light - Low Voltage Quartz Flood Light - Pedestal Mount Style with Handle

Product ID: 1777

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

WAL-PM Pedestal Mount Work Light

Lamp Type: Quartz Halogen

Lighting Configuration: Flood Pattern

Watts: 150 or 300

Voltage: 12 Or 24 VDC

Mounting: Aluminum Three Leg Magnetic Platform

Wiring: 25' SEOWW Cord, Spring Clamp Connectors

Features

12 or 24 VDC

Adjustable Lamp Head

150 or 300 Watts

Up to 1,900 Square Feet of Illumination

Made in the USA

The WAL-PM low voltage quartz halogen work light from Larson Electronics is capable of illuminating an area 1,400 - 1,900 square feet in size depending on bulb choice. This compact 12 or 24 volt work light is mounted on an aluminum pedestal that allows operators to easily place this unit on any flat surface.

The versatile WAL-PM pedestal mount quartz halogen work light from Larson Electronics comes with an aluminum pedestal mount that makes it ideal for industrial applications, maintenance, cleaning and servicing duties, large open space areas and any area where flat surfaces provide opportunity for mounting.

This unit contains a single 150 or 300 watt quartz halogen lamp depending upon operator choice, and is capable of illuminating 1,400 - 1,900 square feet of work space

The aluminum mounting base on this unit consists of a two leg frame constructed of 1" square aluminum tubing, a circular aluminum base, an adjustable 150 or 300 watt quartz halogen lamp, and 25 foot 16/3 SOOW (abrasive and oil resistant) cord. The lamp head is adjustable and can be moved horizontally and vertically and locked into place.

12 VDC versions include a 150 watt quartz bulb, and 24 volt versions include a 300 watt quartz bulb. 150 watt versions will cover 1,400 square of workspace, while 300 watt versions will cover 1,900 square feet. Included with this halogen work light is 25 feet of chemical and abrasion resistant SOOW cord with spring clamps for easy connection to vehicle and heavy equipment batteries. Also available are a choice of connection options including cigarette plug, battery clamps, and ring terminals. Choose connectors below when ordering. This versatile work light can be used as an overhead light, pedestal light, and just about anywhere portable and economical yet powerful illumination is needed.
