

## Dual Station Control Kit for HID-35-RC Series

Part #: [HID-RC-35-DSC](#)

Dual station controller kit for HID-35-RC remote control lights. This kit includes a splitter cable and additional controller. This kit will enable the operator to control the positioning of the light from two different locations. The HID-35-RC ships with one controller. This kit includes the cabling and controller for a second controlling station.

Part #: [HID-RC-35-DSC \(1964\)](#)
