
HID-22-SL-SP0197

Snap On Polycarbonate Diffuser for Metal Halide Lights

Product ID: 222060

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The HID-22-SL-SP0197 from Larson Electronics is a Snap On Polycarbonate Diffuser for Metal Halide Fixtures.

The HID-22-SL-SP0197 can be used to add further functionality to existing metal halide lights from Larson Electronics. This diffuser installs quickly and easily. This diffuser is available in several different sizes to accommodate a variety of metal halide light fixture diameters. Available sizes include 19" outside diameter (OD), 21" OD, 22" OD, and 23" OD. Please make your selection below when ordering.
