

EXPCMR-xx-SP0114

Pole Top Mount for EXPCMR Series Cameras with Trunnion Bracket

Product ID: 222064

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EXPCMR-xx-SP0114 from Larson Electronics is a Pole Top Mount for EXPCMR Series Cameras with Trunnion Bracket.

The EXPCMR-xx-SP0114 can be added to existing EXPCMR series cameras from Larson Electronics to enable them to be mounted on top of poles. This pole top mount is available in several different diameters in order to accommodate a variety of different pole, post, or pipe diameters for mounting. Please make your size selection below when ordering by choosing the outside diameter of the pole, pipe, or post you will be using the mounting bracket on.
