

EPJ-PLUG-32MM

32mm NPT Threaded Recessed Aluminum Conduit Plug for Explosion Proof Junction Boxes

Product ID: 234815

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

32mm NPT Threaded Recessed Aluminum Conduit Plug for Explosion Proof Junction Boxes
These threaded inserts are used for plugging open NPT hubs on explosion proof junction boxes and light fixtures.
