

EXC-100-480V-3P4W-60A-IP67

100' 6/4 SOOW Weatherproof Extension Power Cord - 60A Continuous - 480V Delta 3PH

Product ID: 234884

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

EXC-100-480V-3P4W-60A-IP67 Extension Cord

Cord Cap: 60A 460P7W 3P4W Pin/Sleeve [480V]
Voltage Rating: 480V Delta, 3PH
Configuration: 3-Pole, 4-Wire
Connector: 60A 460C7W 3P4W Pin/Sleeve [480V]
Max Amp Rating: 60A Continuous
Cord Cap Color: Red
Cable Type: 6/4 SOOW
Cable Length: 100'
Cord Color: Black
Shipping Dimensions: 30"-L x 30"-W x 30"-H
Shipping Weight: 150 Lbs

Features

IEC 60309 Style
CE Certified
IP67 Waterproof

Made in the USA

The EXC-100-480V-3P4W-60A-IP67 from Larson Electronics is a 100' weatherproof 6/4 SOOW extension power cord designed for heavy duty and outdoor applications. This rugged extension cord is equipped with a red 60-amp rated weatherproof 460P7W pin/sleeve cord cap and one, 60-amp 460C7W pin/sleeve female connector. The extension cord allows operators to extend power to equipment when stationary weatherproof outlets are not readily available.

The EXC-100-480V-3P4W-60A-IP67 extension cord provides a safe and effective way for operators to extend three-phase 480V Delta power to a variety of devices for plant maintenance, power generators, construction, and other temporary

applications. This 100 feet of chemical and abrasion resistant flexible 6/4 SOOW cable is terminated in a red IEC 60309, 60-amp three-phase 480V 460P7W pin/sleeve cord cap. Operators are provided access to one, 60-amp three-phase 480V 460C7W pin/sleeve female connector at the end of the extension cord.

Applications: This extension cord is ideal for indoor or outdoor use and applications including but not limited to, generators, construction sites, plant maintenance, plant turnarounds, shows, exhibits, industrial equipment, uninterruptible power supplies (UPS battery backups), stage equipment, and shipyard operations. These industrial extensor cords are popularly used in applications where external power sources are often necessary. We also offer class rated extension cords for use within explosion proof and hazardous location environments.

Larson Electronics is a manufacturer and as such can build extension cords and portable transformer systems to your specifications. Although we carry several models of power distribution transformers, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
