**The HUL-LED25WRE-CPR-SPCASE from Larson Electronics is a Hard-sided Storage and Transportation case for the RL-85-HID spotlight. This IP67-rated heavy-duty case is watertight and airtight. Equipped with a pressure equalization valve, dual holes for padlocking and pre-cut foam for protection from bumps, vibration and shocks, the black case features a curved handle for maximum portability.**

***NOTE THIS PRODUCT IS FOR THE CASE ONLY AND DOES NOT INCLUDE A SPOTLIGHT OR ANY OTHER ACCESSORIES***

The HUL-LED25WRE-CPR-SPCASE is an ideal storage and transportation solution for the

RL-85-HID, RL-85-HID-RED. It may also serve as a replacement for the carrying case that is included with the RL-85-HID-HC. handheld spotlight. This rugged and durable case comes with pre-cut foam insert to hold the spotlight firmly in place during transportation. Equipped with a sturdy, ergonomic handle for seamless transport from location to location, the case features dual locking clasps and dual holes for pad-locking requirements.This black case is constructed of hard/molded plastic for durability. An IP67 waterproof rating ensures protection from moisture, contact with harmful dust and immersion at 3 feet (1 meter), up to 30 mins. A pressure-equalization valve facilitates a watertight/airtight seal. The hard-sided storage and transportation unit meets carry-on guidelines for most US domestic airlines, as well as the FAA`s maximum size for carry-on bags.At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
