

**Explosion Proof Control Station - C1D1/C2D1 - (1) 2-pos Switch (2) PBs (1) E-stop - 10k
Potentiometer**
EPCS-2PS-PB.M.B-PTM.10K-PM.M.G-ESTP

The Larson Electronics EPCS-2PS-PB.M.B-PTM.10K-PM.M.G-ESTP Explosion Proof Control Station is suitable for busy operations in hazardous locations. Featuring five drilled and tapped operator holes, the unit supports several control mechanisms for heavy-duty machines. An emergency-stop push button, two-position selector switch, momentary push buttons and a 10k Ohm potentiometer (2 watts, 30V DC) can be found on this station. Constructed of aluminum with stainless steel components, the unit is surface mount compatible.

The EPCS-2PS-PB.M.B-PTM.10K-PM.M.G-ESTP is a durable explosion proof control station designed for hazardous locations. Featuring a maximum voltage rating of 600V AC, this unit supports a total of five drilled and tapped operator holes at the cover. For emergency stop, a single red mushroom push button is available (pull-to-reset operation). Operators may engage commands using one, two-position selector switch and two, momentary push button contact switches (black and green). The explosion proof control station also contains one, 10k Ohm potentiometer (2 watts, 30V DC).

The EPCS-2PS-PB.M.B-PTM.10K-PM.M.G-ESTP is constructed of aluminum with stainless steel parts. The NEMA-rated control station is compatible with surface mount configurations.

Applications: Petroleum refineries, chemical and petrochemical plants, paint spray booths, food manufacturing buildings, agricultural sites, grain storage centers, small motors, manual control and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
