SM-2-ALB-SS.304-MOD1

Adjustable Locking Base for Industrial Equipment - 304 Stainless Steel

Product ID: 238524

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The SM-2-ALB-SS.304-MOD1 from Larson Electronics is a Stainless Steel Adjustable Locking Base for industrial equipment. Available index holes enable quick and seamless positioning at various angles. This durable unit facilitates stable and safe operation of customer-provided devices.

The SM-2-ALB-SS.304-MOD1 offers a sturdy foundation for equipment requiring elevated mounting at angled positions. Operators may set the angle of the base using index holes on a rounded plate. Accessible stainless steel nuts and bolts with nylon inserts are used to keep the selected position in place. This adjustable locking base is constructed of 304 stainless steel. Mounting is facilitated by two, through holes located at the base of the unit.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
