LE-LZYSN-V6

Industrial Lazy Susan - 9" OD - 1000 lbs Capacity - CNC-machined Aluminum - Stainless Steel Hardware

Product ID: 240102

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in Texas

The LE-LZYSN-V6 from Larson Electronics is a CNC-machined industrial lazy susan swivel. Constructed from aluminum and featuring stainless steel hardware, the LE-LZYSN-V6 is designed for strength and durability.
The LE-LZYSN-V6 industrial lazy susan is waterproof and rated for a 1000 pound weight capacity. This waterproof swivel has a 9" outside diameter. This 1.5" thick industrial lazy susan rotates smoothly and quietly on ball bearings and increases functionality of many different tools and devices in the workplace. Weighing in at

only seven pounds, the LE-LZYSN-V6 is easy to install and move into position for installation. The strength to weight ratio is ideal for industrial applications among many others. This unit locks into place every 90° via a spring loaded pin.
Applications: Positioning pallets, tool rotation, agriculture, industrial, machining, dental, manufacturing, tooling
At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
