RENT General Area Industrial Quad-Port Extension Cord - 3' 16/3 SOOW Cord - (2) 5-20R Duplex Receptacles - Magnetic Mount

Product ID: 242876

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

RNT-EXC-4X-5.20R-3C-M-CEE.16A-250V General Area Extension Cord

This unit is for rentals

The RNT-EXC-4X-5.20R-3C-M-CEE.16A-250V from Larson Electronics is a General Application Extension Cord with a 4-Gang Quad Box that is terminated in a 16-amp 250V IEC 60309 general area cord cap. This extension cord is comprised of 3 feet of 16/3 SOOW chemical and abrasion resistant cable.

This general area extension cord enables operators to extend power connections. The unit features two, 20-amp 5-20R GFCI duplex receptacles that provide sealed and secure connections for up to 4 devices. Each receptacle features a hinged watertight cover protecting the face from rain, water, and moisture when not in

use. The extension cord is equipped with 3` of 16/3 SOOW cord with a 16-amp 250V IEC 60309 cord cap. Operators can mount the device on magnetic surfaces, using an included heavy-duty magnet (rated at 200 lbs) at the back of the receptacle box.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
