EPL-AEB-SBUM-8.8.4-AL-R1

4' Portable Explosion Proof Enclosure Stand for EPL-AEB-8.8.4 Series - Two Legs, Foot Pads - Aluminum

Product ID: 243031

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The Larson Electronics EPL-AEB-SBUM-8.8.4-AL-R1 Portable Explosion Proof Enclosure Stand is a sturdy and reliable mounting solution for explosion proof enclosures. Constructed of aluminum and equipped with foot pads, this unit measures 48.25" x 36" x 24". The explosion proof enclosure is not included.

PLEASE NOTE: ANY FREE SHIPPING OFFERS DO NOT APPLY TO EXPLOSION PROOF ENCLOSURES

The EPL-AEB-SBUM-8.8.4-AL-R1 allows operators to securely mount explosion proof enclosures from the Larson Electronics EPL-AEB-8.8.4 series in locations without accessible mounting surfaces. This portable unit, which is constructed from aluminum, stands 4 feet and contains two horizontal legs with foot pads. The explosion proof enclosure is not included with this product (stand only).

Larson Electronics can customize this stand to meet various work site and operating requirements (may incur additional cost). Examples of custom features include the following: height of stand, size of vertical mounting surface, leg configuration, protective components, magnetic components, materials, finishes and coatings, carrying handles, lifting components, signs, wheels and more. We can also add lights, sensors, receptacles and other devices to the stand for extended functionality.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
