

LM-xx-SP0028

Replacement 4-Post Antenna Mounting Bracket for LM Series masts

Product ID: 243752

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This Replacement 4-Post Antenna Mounting Bracket for LM Series masts consists of (4) brackets 24" length with 2-3/8" OD poles, designed for mounting antennas. This bracket is a mounted 24" x 24" square with poles mounted at 4-corners, and slides over 2" x 2" mast stages. The brackets are secured with T handle bolt and are powder coated with a blue finish. This replacement bracket is used to replace damaged antenna mast heads or change from T head to 4x antenna mast head on existing masts.

Frequently Asked Questions (FAQ)

LM-xx-SP0028

Product ID: 243752

Export Control Classification Number (ECCN): EAR99

Options:

LM-xx-SP0028-Finish

Example: LM-xx-SP0028-PWDC

Finish	
POWDER COAT	-PWDC
GALVANIZE	-GLVD
