

LM-xx-SP0027-RED

Replacement Antenna Mounting Bracket for LM Series Masts - Red Powder Coating

Product ID: 243753

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This Replacement Antenna Mounting Bracket for LM Series masts is 24" in length with a 2-3/8" OD pole. This bracket is designed for mounting antennas slides over 2" x 2" mast stages, and is secured with T handle bolt. The bracket is powder coated with a red finish and used to replace damaged antenna mast heads or change from T head to antenna mast heads on existing masts.
