

GAU-HB-16L-LED-WP-WCM-187

Snap on Diffuser Lens for GAU-HB-16L-LED-WP-WCM Series Fixtures

Product ID: 263687

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Snap on Diffuser Lens for GAU-HB-16L-LED-WP-WCM Series Fixtures

This lens snaps onto the faceplate of existing GAU-HB-16L-LED-WP-WCM series light fixtures. The diffused polycarbonate lens protects the glass lens from overspray, direct impact damage and softens light output. The diffuser lens is ideal for low mount applications where the light output may be close to eye contact.

Includes (1) polycarbonate lens and mounting hardware
