# Gas Powered Misting Odor and Pest Control Cannon - 15L Tank Capacity - Stainless Steel - Chemical Fogger

**Product ID: 267868**

**Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).**

**Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.**

**IND-MD-TF-MGF-HH-R1 Odor / Pest Control Misting Cannon**

**Unit Type:** Portable Odor / Pest Control Cannon
**Dimensions:** 48.42" x 12" x 9.44"
**Weight:** 18.73 lb
**Voltage:** -
**Start Method:** Electric + Manual Start
**Range:** 29.5' to 42.65' (9-13m)
**Volume:** >500ml
**Tank Capacity:** 15L
**Engine Type:** Gasoline
**Fuel Consumption:** 2.5L/H (Adjustment)
**Ambient Operating Temp Range:** -
**Materials:** Stainless Steel
**Mounting:** Portable Handle, Straps
**Wiring:** -

**Ratings/Features**

Odor / Pest Control Chemicals Not Included
kill 99% of viruses and other germs

**The Larson Electronics IND-MD-TF-MGF-HH-R1 is a Misting Odor/Pest Control Cannon which can dispense odor or pest control chemicals over large areas, such as warehouses, manufacturing facilities, parks, tourist**

**attractions, and public locations. This gas-powered device releases fog or smoke with a range of 29.5` to 42.65`. The fog sprayer comes with a 15L tank capacity.**

******PLEASE NOTE: Chemicals are not included with the unit.******

The IND-MD-TF-MGF-HH-R1 is an aerial fog sprayer for effective odor or pest control of inaccessible areas that cannot be wiped down or treated by hand or with small spray bottles. This gas-powered odor/pest control cannon has a 15L tank capacity and consumes fuel at a rate of 2.5L/h (adjustment). The unit has an estimated range of 29.5` to 42.65`. Controls on the sprayer include the following: start, check, and charge.

Constructed of stainless steel, the fog sprayer offers electric + manual start. Chemicals used for odor or pest control are not included and must be supplied by the customer. This cylindrical device turns liquid solutions into fine mist at greater than or equal to 0.5 microns in size, allowing the chemical mist to travel in the air and spread around the location.

**Mount:** Equipped with a handle, this odor/pest control cannon is designed for portable applications. The tank can be secured at the back of the operator using straps. These features allow individuals to reach the desired area with ease.

**Suggested Applications:** Industrial sites, manufacturing facilities, warehouses, parks, public sites, tourist attractions, amusement areas, camp sites, and more.

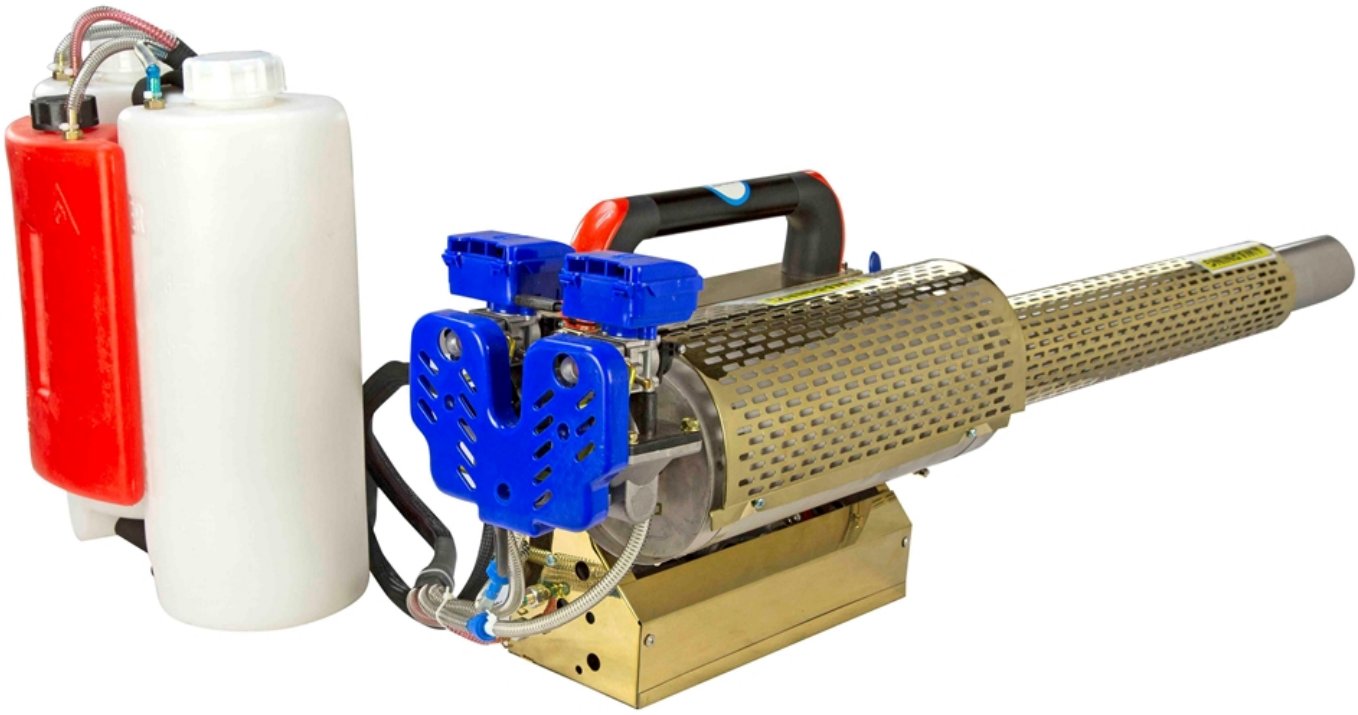

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
