Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

10 Year / 100,000 Hour Extended Warranty for the EPL-BS-161M Explosion Proof Portable Light Fixtures. This warranty extends the standard fixture warranty to 10 years or 100,000 hours, whichever comes first. This 10-year warranty covers the operation of the light fixture in functionality. Temperature sensitive materials are not covered under this warranty. Batteries are not covered by this warranty. Physical damage is not covered under this warranty.
