IND-MD-DF-ESF-XX-ASG

Anti-static Gloves -(1) Pair, Chemical Resistant - For Use with Electrostatic Sprayers

Product ID: 268743

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The Larson Electronics IND-MD-DF-ESF-XX-ASG Anti-static Gloves are reliable protective gear against static shocks from using electrostatic sprayers. Constructed of neoprene over natural rubber (cotton flock lined), the gloves are chemical resistant.

The IND-MD-DF-ESF-XX-ASG can be used to protect operators from static shocks when using an electrostatic sprayer to sanitize areas. This unit is made out of neoprene over natural rubber with cotton flock lining. Measuring approximately 12"-L by 26mm thick, the gloves are offered in the following sizes: small, large or x-large. Each order contains one pair of gloves (2 gloves).

Suggested Applications: Sanitation, disinfection, electrostatic sprayer, workplace safety, static protection and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
