Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in USA

The EPF-LPSM-12-XX-WMBS from Larson Electronics is a Box Shroud and Grill Guard for Wall Mounted Fan that protects people, animals and objects close to or nearby the unit when in use. This aluminum guard is finished in a powder coated grey coating for enhanced durability. The box shroud and grill is designed for mounting to the wall around the fan.
The EPF-LPSM-12-XX-WMBS is a heavy-duty aluminum box shroud and grill for wall mounted fans. Finished in a grey powder coating, the unit mounts to the wall around the customer-provided fan at the site. This fan guard is not designed to support the weight of the fan. The fan must be mounted and secured to the wall separately during installation.
