

**EXC-1-5.15R-10.3-10.50P**

**1' Foot Adaptor Cable - 5-15R Receptacle to 10-50P Plug - 1' 10/3 SOOW Cable**

**Product ID: 272174**

**Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).**

**Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.**

**1` Foot Adaptor Cable - 5-15R Receptacle to 10-50P Plug - 1` 10/3 SOOW Cable**

This adaptor cable allows operators to plug existing 10-50P plugs into the female 5-15R connector. The 5-15R is connected to a male 10-50P 50 amp straight blade plug via 1` of 10/3 SOOW cable. This allows operators to power equipment terminated in 5-15P plugs via 10-50C receptacles and outlets.

NOTE: This adaptor plug is designed for dual voltage machines. Please check your power source voltage before operating. 220-240V equipment will not properly operate on 110/120V and may cause malfunction or damage to device being plugged in if operated on the incorrect voltage.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message [sales@larsonelectronics.com](mailto:sales@larsonelectronics.com) for more information about our custom options tailored to meet your specific industry needs.
