

LMP-FG-XX-GWS-6X

Guy Wire Attachment Kit for LMP-FG Series Masts

Product ID: 272887

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The LMP-FG-XX-GWS-6X from Larson Electronics is a Guy Ring Attachment Kit for LMP-FG Series Masts that allows operators to add guy wires to their masts for increased stability in windy conditions.

Each guy ring in the LMP-FG-XX-GWS-6X attachment kit comes pre-drilled with 5 counter-sunk holes. The number of holes allows these guy rings to be used in either a three point or four point configuration. The guying rope (not included) that is used will not be at risk of being cut or frayed. The smallest two guy rings in this attachment kit can accept rope up to 3/16" in diameter while the large rings can accept 1/4" diameter rope.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
