EPL-SW2-3W-MS-SR-SP0000-KT

Explosion Proof Double Gang Switch Kit - Class I, II, III - (2) Momentary 3-way Switches - Copper-free Aluminum - Mounts in Existing Gang Box

Product ID: 273815

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

EPL-SW2-3W-MS-SR-SP0000-KT Explosion Proof Switch Kit - Double Gang

Listing: NRTL Listed for United States and Canada
Dimensions: 9.38" x 5.88" x 3.44"
Gang Qty: (2)
Weight: -
Voltage Rating: 120-277 V AC, 1-phase
Current Rating: 20 A
Horsepower: 1 HP @ 120 V, 2 HP @ 240 V
Switch Qty: (2)
Switch Type: Front Lever Operated, Momentary Switches
Switch Style: 3-way w/ Spring Return to Center Off Position
Padlockable Positions: On or Off
Materials: Copper-free Aluminum
Installation: Installs in Existing Double Gang Device Boxes
Color: Gray

Ratings

Class I, Divisions 1 & 2 Groups C, D
Class I, Zones 1 & 2 Groups IIB, IIA
Class II, Divisions 1 & 2 Groups E, F, G
Class III
NEMA 7 (C, D) 9 (E, F, G)

The EPL-SW2-3W-MS-SR-SP0000-KT from Larson Electronics is an Explosion Proof Double Gang Switch Kit that provides a safe and secure method for operators to interrupt power before connecting and disconnecting electrical equipment in hazardous locations. This 20-amp

device is compatible with single-phase 120-277 V AC and features two lever switches with momentary action. This kit is designed to be installed in existing double gang device boxes.

Please note that this is for the switch covers and switch operators ONLY. There is NO device box included.

The EPL-SW2-3W-MS-SR-SP0000-KT is used for electrical or circuit switching applications in combustible facilities. This explosion proof unit is rated at 20 amps and operates on single-phase 120-277 V AC. Horsepower ratings include the following: 1 HP @ 120 V and 2 HP @ 240 V. The device is equipped with two front lever operated, momentary switches in a double-gang design. The 3-way switches have a spring return to the center Off position when released. Both On and Off positions can be padlocked for security.

The explosion proof switch covers are constructed of copper-free aluminum. Designed for outdoor, rugged and combustible sites, this unit carries NEMA ratings and is suitable for Class I, II and III rated environments.

Installation: This unit is designed to be installed in existing double gang device boxes.

Suggested Applications: Manufacturing, Industrial, Warehouse, Lighting, Wet areas and Locations Where Combustible Dust is Present.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
