Product ID: 278028

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The Larson Electronics RNT-CMLK-200A-FB-1.1.TW-100-KT-4X Camlock Adaptor Cord Set allows operators to make camlock connections to a wide range of power sources, including power distribution panels and generators. The 400-amp rated camlock cable set consists of five, 100-foot 4/0-1C cords each with individual camlocks.

The RNT-CMLK-200A-FB-1.1.TW-100-KT-4X are camlock adaptor cables for completing power connections to panels, generators and powering camlock

equipment. This unit, which is rated for 400 amps, consists of five 4/0-1C cords measuring 100 feet each with camlock connectors. Colors of the single-pole camlocks include: red (A phase), black (C phase), white (neutral, D phase) and green (earth/ground, E phase).
Applications: Electrical connections, power distribution panels, generators, connection to power sources, powering camlock devices and more.
At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
