RENT 50' 4/0 DLO Cord w/ Camlocks - 400A Rated - 16 Series 1P Male and Female Camlock Connectors - 600V Rated

Product ID: 279156

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

RNT-CMLK-400A-FM-4.0-DLO-50 Camlock Cord Connector

Unit Type: 400A 50' 4/0 DLO Cord with 16 Series Male and Female Plug Single Pole Connectors

Cord Type: 50' 4/0 DLO Cord

Weight: -

Made in the USA

The Larson Electronics RNT-CMLK-400A-FM-4.0-DLO-50 DLO Cord w/ Camlocks allows operators to make camlock connections to a wide range of power sources within rugged, wet and outdoor environments. This 600V rated unit consists of a 400-amp single pole male camlock plug connector, a 50` 4/0 DLO cable (black) and a 400-amp single pole female camlock plug connector. The NEMA 3R rated camlocks are color coded and

are available in several color options.
The RNT-CMLK-400A-FM-4.0-DLO-50 features a 50-foot 4/0 Diesel Locomotive (DLO) cord with weather, chemical, oil, sunlight and abrasion resistant properties. This 400-amp rated unit is equipped with one color coded 16 Series single pole male plug camlock at one end and one color coded 16 Series single pole female plug camlock on the other end. Color options for the camlock includes: yellow, orange, brown, green, red, blue white, black or grey.
Applications: Electrical connections, locomotives, mining, shipyards, motor leads, oil and gas rigs, power distribution panels, generators, connection to power sources, powering camlock devices and more.
At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
