Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This unit is Made In USA - Manufactured in Texas

MPD-CS2-CLP5.100AB-YT0-L-3.C04-M1 Spider Box

Line-In Cord: -
Line-In Cord Cap: 150A Single-pole 15-Series Male Camlock Receptacles (1) grn, wht, blk, red, blu [600V] w/ Covers
Primary Voltage: 208/120V AC Wye
Primary Phase: 3-Phase
Primary Frequency: 60 Hz
Output: -
Primary Panel: 208Y/120 3PH 100A MCCB Yellow Spider Box N3R
Primary Breakers: (3) 50A 2P MCB [250V]
Primary Outlets: (3) CS6369 Pin & Sleeve [208Y/120V]
Primary Protection: MCCB Circuit Breaker; MCB Circuit Breakers
Housing Material: Steel
Form Factor: Yellow Powder Coated Spider Box w/ Legs
Mounting: Portable/Base Stand
Dimensions: -
Weight: -

Ratings/Approvals

Max Primary OCP: 100A @ 208V
Max Secondary Output: -
NRTL Certified to UL 1640
NEMA 3R Weatherproof
Overload Protection
Short Circuit Protection

This unit is Made In USA - Manufactured in Texas

The MPD-CS2-CLP5.100AB-YT0-L-3.C04-M1 from Larson Electronics is a Portable Spider Box for indoor, outdoor, and rugged applications. This unit allows operators to use three-phase 208/120V AC Wye power via one set of 15 series male camlock receptacles. The device is equipped with three output receptacles for equipment. For robust protection, the safety yellow spider box is NEMA 3R rated and protected by impact/flame resistant weatherproof covers.

This portable spider box has one set of 150-amp 600V rated 15 series male camlock receptacles (white, black, red, blue and green) for bringing three-phase 208/120V AC Wye power into the unit. The device supports three 50-amp 2-pole 250V miniature circuit breakers protecting three 50-amp 208Y/120V CS6369 pin/sleeve receptacles.

The MPD-CS2-CLP5.100AB-YT0-L-3.C04-M1 spider box features short circuit, overload, open neutral, and reverse phasing protection. Should circuit overload occur, the unit will automatically shut down to protect the spider box from damage.

The housing on the MPD-CS2-CLP5.100AB-YT0-L-3.C04-M1 is constructed of steel with a NEMA 3R enclosure rating. This safety yellow device is approved for wet locations and features heavy-duty impact/flame resistant weatherproof covers. Two angled black legs at the base of the unit and low center of gravity ensures this spider box does not tip over in the field.

Certification: All units are built in accordance to NFPA 70 (National Electric Code). All equipment is NEMA 3R rated for indoor and outdoor use and provide a degree of protection against dirt, water, and ice. NEMA 4 and NEMA 4x equipment can be equipped upon request.

Applications: Indoor or outdoor applications including but not limited to, construction sites, plant maintenance, plant turnarounds, shows, exhibits and shipyard operations. These units are popularly used in applications where external power sources are often necessary. We also offer class rated transformers for use within explosion proof and hazardous location environments.

Larson Electronics is a manufacturer and we can build portable power distribution systems to your specifications. Although we carry several models of portable power distribution systems in stock, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
