IND-RLY-9.45A-PNL

Adjustable Electronic Overload Relay - 9A to 45A, - Panel Mount

Product ID: 304741

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

IND-RLY-20.100A-NO.NC-DIN Weatherproof Programmed Relay Timer

Unit Type: Solid State Electronic Relay

Dimensions: -

Weight: -

Voltage: -

Full Load Amperage Range: 20A to 100A - Adjustable

Trip Class: Selectable 10/20

Contacts: (1) N/O, (1) N/C

Protection: Ground Fault

Materials: -

Mounting: DIN Rail or Panel Mount

All grounding shall comply with state and local codes and meet the minimum requirements of the National Electronic Code section 250
