Image:

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This unit is Made In USA - Manufactured in Texas

This unit is Made In USA - Manufactured in Texas

The Larson Electronics MPD-PSBEC-PWCDT is a portable spider box enclosure for indoor, outdoor and rugged applications. For robust protection, the enclosure is NEMA 3R rated and protected by rugged cage frame.

This portable spider box enclosure is constructed of steel with a NEMA 3R enclosure rating. Protected by a powder coated desert tan finish, a heavy-duty black cage frame protects the

unit from drops, bumps and objects. The enclosure is NEMA 3R rated for indoor and outdoor use and provides a degree of protection against dirt, water and ice. NEMA 4 and NEMA 4x equipment can be equipped upon request.

Applications: Indoor or outdoor applications including but not limited to, construction sites, plant maintenance, plant turnarounds, shows, exhibits and shipyard operations. These units are popularly used in applications where external power sources are often necessary.

Larson Electronics is a manufacturer and we can build portable power distribution systems to your specifications. Although we carry several models of portable power distribution systems in stock, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
