

MT-PML-XX-SP9523

Replacement Transformer Thermometer for MT-PML Series Transformers

Product ID: 310487

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

MT-PML-XX-SP9523 Transformer Thermometer

Unit Type: Transformer Thermometer

Dimensions: 8.31" x 0.24" x Ø2.83 Dia

Weight: 0.75 lbs

Operation: Manual

Ambient Temperature: -

Material: Stainless Steel Gauge

Installation Depth: 3.9"

Mount: Small and Medium-sized Oil-immersed Transformers

Approvals/Ratings

Manual Operation

The MT-PML-XX-SP9523 from Larson Electronics is a Thermometer for oil-immersed transformers. This unit can be used to monitor the temperature of transformer tanks.

The MT-PML-XX-SP9523 is compatible with MT-PML series Larson Electronics transformers. For accurate temperature readings, the thermometer bulb should be inserted more than 3.9". The gauge is made of stainless steel for durability in rugged environments.

Larson Electronics is a manufacturer and as such can build stationary and portable transformer systems to your specifications. Although we carry several models of power distribution transformer systems, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
