

XLE-EL-HF-230936

500MCM Terminal Lug w/ 1/2" Stud

Product ID: 315179

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The XLE-EL-HF-230936 from Larson Electronics is 500MCM Terminal Lug.

The XLE-EL-HF-230936 is rated for use up to 600V/690 amps and features a 500KCMIL terminal lug w/ 1/2" stud.
