

ATEX-EPRB-NPB-M80-M63

Reducer Bushing - M80 to M63 - Nickel Plated Brass - ATEX Rated

Product ID: 324335

Please see last page for supporting documentation for this product (certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Image: ATEX-EPRB-NPB-M80-M63

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The ATEX-EPRB-NPB-1" NPT-M25 from Larson Electronics is a Reducer Bushing that is constructed from nickel plated brass.

The ATEX-EPRB-NPB-M80-M63 goes from M80 on the male side to M63 on the female side. This reducer bushing is ATEX rated.
