Product ID: 330285

Please see last page for supporting documentation for this product (certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Image: EPF-MES-144

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

144" Manual Exhaust Shutter for 142" Explosion Proof Fans

This manual exhaust shutter is designed for 142" explosion proof fans.

This double panel manual exhaust shutter requires a 144-3/4" opening for installation. It has a 144" square inside measurement and a 147" square outside measurement.

This collar is compatible with Larson Electronics EPF-LPSM and EPF-HPISM series explosion proof fans.
