Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

GAU-CR-12000LB-114.152MM Cord Reel

Product Type: Cable Reel Lifting Device

Weight Capacity: 12,000 lbs (5,443 kg) Minimum

Arbor Size Compatibility: 4-1/2" (114 mm) Minimum – 6" (152 mm) Maximum

Construction: Heavy-Duty Steel

Compatible Equipment: Cranes, Hoists, and Other Approved Lifting Equipment

Finish: Corrosion-Resistant Industrial Finish

Application: Lifting and Transporting Cable Reels
