

Product ID: 341587

Please see last page for supporting documentation for this product (certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Image:

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

CT-BL-B494-SB-12IN-ZN-M1 Cable Ladder Support Bracket

Unit Type: Braced Cable Ladder Support Bracket

Manufacturer Part Number: B494-12ZN

Made in the USA (Eaton B-Line)

Configuration

Support Length: 12"

Features of Every Assembly

Braced Design

Zinc Electro-Plated Steel Construction

Construction

Material: Zinc Electro-Plated Steel

Ratings & Approvals

Manufactured by Eaton B-Line

Dimensions & Shipping

Support Length: 12"

Approximate Weight: 2.8 lbs per bracket (estimate)

Shipping Dimensions: TBD

Shipping Weight: TBD

Shipping

Shipped on pallet or skid

Crated shipment available upon request

Final shipping configuration subject to approved design

Special Features

Braced Design, Zinc Electro-Plated Steel
