MMP-2

MMP-2 Magnetic Stainless Steel Boat Mount Plate

Product ID: 391

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Magnetic Mounting Plate - magnetic stainless steel
5.5 inch square plate for permanent or magnetic mounting of permanent mount or magnetic mount Golight remote controlled spotlights or Larson Electronics magnetic spotlights.
Also, this plate can be mounted to any non-ferrous (fiberglass, etc.) surface so that lights with magnetic bases can be attached to this mounting plate. Plate has 4 mounting holes for 4 self tapping fiberglass screws.
