

LEDPL-5-PK

Rechargeable LED Flashlight - Accessory Kit - 600' Spot Beam - 200 Lumen

Product ID: 47555

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

LED Pocket Flashlight - Task Light is ideal for various tasks where a pure, white light is needed/preferred. The LED Pocket Flashlight is a small, multi-task light capable of easily reaching light output ranges of approximately 600 feet. A rubber bootted push button switch in the tail makes it easy to turn the light on and off. This particular LED flashlight comes with an accessory kit, accessory kit contents listed below.

The LED Pocket Flashlight runs on 2 - CR123A batteries and has a run time of approximately 4 hours. The LED pocket flashlight also accepts rechargeable 18650 batteries. It is encased in aluminum housing that makes it exceptionally durable as well as weatherproof.

LED Kit Includes:

- Recharger Stand for 2, CR123A Batteries
- 120 VAC Recharger Stand Plug In
- 12 VDC Recharger Stand Plug In
- Nylon Case (Belt Loop)
- 2 Rechargeable CR123A Batteries
- Clip on Bracket (Allows LEDPL-5 to be clipped to clothing)
- Nylon Lanyard

Lumen: 200

Projection Distance: Approx. 600ft

Color Temp: 6000K

Length: 5.5"

Weight: 3oz.

This image shows a dark street, similar to a long, narrow corridor. This picture is taken without any illumination besides the street lamp approx. 600` away.

This image show the LEDPL-5 illuminating the street. The beam tips the illumination of the street lamp 600` away.
