RNT-EPF-8-D25

Static Conductive Duct for EPF-8P-E Electric Explosion Proof Fan - 8 inch OD - 25' Long - RENTAL

Product ID: 48525

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Explosion Proof Fan Duct - 25 foot Static Conductive Duct . This particular unit is a rental. The EPF-8PE and EPF-10P.3 explosion proof fans are readily available for rental as well.
Rentals: In an effort to cut back on contracts and various other paper work, Larson Electronics processes rentals like orders until the product is returned. This means, we will charge the customer for the product total and credit back the difference once the fixture is returned. Weekly and Monthly terms are available. Customer must pay shipping to and from the destination. Please contact us at +1-214-616-6180 for further information if required.
Rental Prices for the RNT-EPF-30P;
Monthly...60.00 USD
Weekly...37.00 USD
Hazardous location areas require a static conductive duct (8 inches outside diameter X 25 feet). Static conductive duct lengths are connected via aluminum couplers. You will need an aluminum coupler to connect 2 pieces of duct.
