

EXP-LED-WAND

Traffic Wand Attachment for Explosion Proof LED Handheld Flashlights

Product ID: 50959

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Traffic wand attachment for Explosion Proof LED Flashlights, including the EXP-LED-FX2 and EXP-LED-F4W. This wand snaps over the lens of the flashlight and is illuminated by the flashlight's beam. This explosion proof traffic wand is ideal for use in hazardous locations when traffic direction is needed.

*Please note: Flashlight is sold separately.
