

EPL-UN

Explosion Proof Conduit Coupling - 1/2" or 3/4" - Male or Female Union - Zinc Plated - C1D1

Product ID: 64233

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Explosion Proof Conduit Coupling - 1/2" or 3/4" - Male or Female

These unions are installed in threaded thickwall conduit systems. Male couplings are used to connect conduit to a fitting, junction box, or device enclosure. Female couplings are used to connect conduit to conduit, or to allow for future modifications of conduit.

Choose your required hub size (1/2, 3/4) and termination type (male, female) at checkout.

Frequently Asked Questions (FAQ)

EPL-UN

Product ID: 64233

Export Control Classification Number (ECCN): EAR99

Options:

EPL-UN-Termination-Hub Config

Example: EPL-UN-MALE-0.5

Termination	
MALE	-MALE
FEMALE	-FEMALE

Hub Config	
1/2	-0.5
3/4	-0.75
