

EPL-100LED-WG

Wire Guard Lens Protector for EPL-48-100LED Model LED Explosion Proof Lights

Product ID: 68817

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Wire Guard Lens Protector for EPL-48-100LED Explosion Proof LED Lights

2 inch square pattern in aluminum mesh lens cover for the explosion proof fluorescent lights. Each wire guard is secured to the aluminum housing on the EPL-48-100LED and LED series, protecting the fixture from accidental damage.
