

LEDLB-24-PSC

Protective Shield Cover for LEDLB-24 Series LED Light Bars

Product ID: 70035

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Protective Shield Cover for LEDLB-24 Series LED Light Bars

This glare shield covers both sides and top of the LED light bar to eliminate light pollution above or to the sides of the light fixture. This shield is adjustable, allowing operators to focus the light towards without leakage or light pollution escaping.
