

High Intensity 20 Watt LED Handheld Spotlight - 16' Coil Cord with Cigarette Plug

Part #: HUL-LEDP2X10W

**Buy American Compliant**

The Larson Electronics HUL-LEDP2X10W Spotlight is a rugged and effective LED spotlight designed to provide users with a powerful, durable, and easy to use source of reliable light. This spotlight has a 20 watt LED light head which produces a light beam over 700' long. This spotlight includes a detachable 16 foot coil cord with cigarette plug for easy connection to vehicle and equipment power sources.

This durable and weatherproof spotlight is ruggedly designed to withstand heavy duty use and includes a 16 foot coil cord and cigarette plug adapter to allow connection to any vehicle or ATV equipped with a cigarette plug. This light contains two 10 watt LEDs that produces 1,720 lumens and paired with a precision aluminum reflector and impact/scratch resistance polycarbonate lens. This beam is strong enough to allow operators to read signs, license plates, addresses and other similar markings at the far end of its total range.

This spotlight is built for durability and comfort with an impact resistant housing, an ergonomically designed 5 inch tall polycarbonate handle that matches the contours of your hand, and a light head that can be adjusted vertically. The low profile lamp and reflector assembly is protected by a polycarbonate lens that is sealed against water and dust to provide an IP68 rating and weatherproof protection.

Power options include 12-24 volt DC versions for use with most common vehicle, boat or ATV electrical systems. This spotlight is a powerful and rugged design ideal for use in hunting, utility, emergency, industrial/commercial and military/law enforcement applications.

Durability-Convenience: The HUL-LEDP2X10W Spotlight is constructed of impact resistant materials including an aluminum housing and polycarbonate handle. The lamp assembly contains an aluminum reflector and polycarbonate lens. The lamp assembly is sealed against water and dust and the entire unit is IP68 rated waterproof to 3 meters.

Power: Each HUL-LEDP1X10WR Spotlight comes with a detachable 16 foot coil cord with cigarette plug. The cord is detached via a weatherproof, 2 pin Deutsch connector which easily and securely attaches and detaches the coil cord from the spotlight. Other cords, including 21 foot cords with ring terminals (C-21RT), 16 foot cord with spring battery clamps (alligator clips) (C-16BC) and a 16 foot straight cord with cigarette plug (C-16CP) are available. This light on 11-32V DC, including 12 volt or 24 volt DC, allowing it to be used with any vehicle or ATV equipped with a cigarette plug. Choose voltage below when ordering.

Versatility: The entire unit weighs only 2 lbs. The light head is mounted to the handle with an adjustable hinge that allows the head to be adjusted vertically. The five inch tall handle is ergonomically designed to fit the contours of your hand for a comfortable grip. This unit is ideal for hunting as well as military, security and law enforcement use and any application that requires an extremely durable and effective source of portable illumination.

Lighting Configuration: The HUL-LEDP1X10WR has several beam configurations that the operator can choose from to better suite their application; 10° Spot, 20° Wide Sopt, 40° Medium Flood and a 60° Flood.
