

EPL-24V-DW

Explosion Proof Drop Light (Handlamp Only) - 24 Volts

Product ID: 106218

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

EPL-24V-DW

UL Listing: United States

Dimensions: L-16.5 " Dia-5"

Total Watts: N/A

Voltage: Stnd-24VAC

Mounting: Hook

Wiring: N/A

Lamp Type:: Incandescent

Ambient Temp:: 40 degrees C maximum

Operating Temp:: 160 degrees C (T3C) Class 1 & 2
