SLEDB-5-M-ACCORD

AC Charger for SLEDB-5-M High Output Strobing LED Beacon

Product ID: 144402

Image: SLEDB-5-M-ACCORD

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The SLEDB-5-M-ACCORD from Larson Electronics is an AC charger that is compatible with the SLEDB-5-M strobing LED beacon. The SLEDB-5-M-ACCORD allows operators to charge existing SLEDB-5-M strobe lights from AC wall plugs.

120V and 220-240V available
