LM-XX-SP0341-V1

Steel Retaining Pin for Light Masts - Compatible With Any Mast With a 13" x 15" Mounting Base

Product ID: 147713

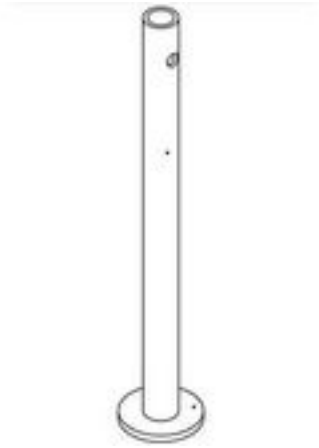

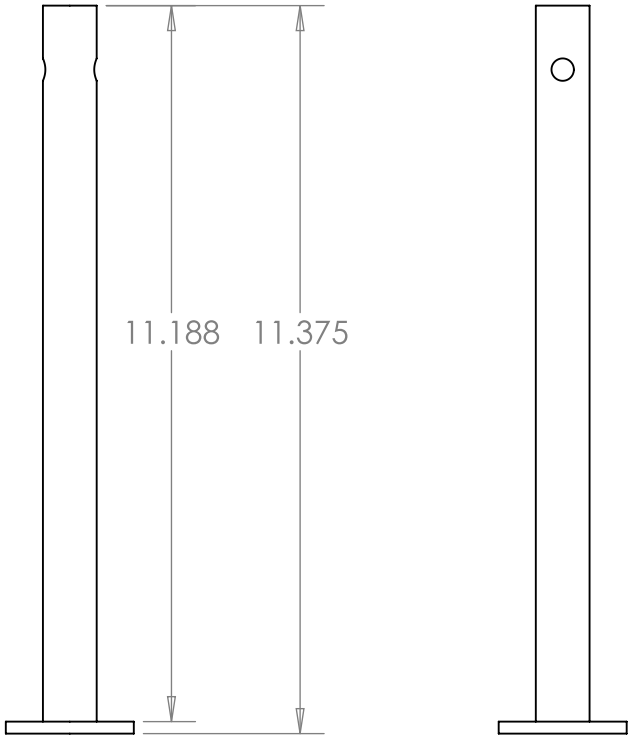

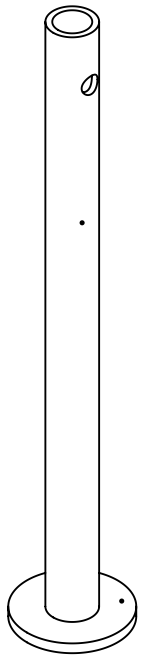

Image: LM-XX-SP0341-V1

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The LM-XX-SP0341-V1 from Larson Electronics is a steel retaining pin for light masts. This steel retaining pin is compatible with any Larson Electronics` fold-over light mast that has a 13" x 15" mounting base.

The LM-XX-SP0341-V1 is constructed from steel and is available with either a powder coated finish or a galvanized finish for corrosion resistance and increased durability. Please make your selection when ordering below.
