PL-AC-CHARGER

PL-AC-CHARGER 110/240V AC Charger for Powerlight HID Flashlight

Product ID: 232

Image: PL-AC-CHARGER

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

110/240V AC Charger for Powerlight HID flashlights. Can be plugged directly into the flashlight or into the spare battery charger. LED indicator and overcharge protection.
