VMP-AP-FCA-JL-RH

No Drill JEEP Mounting Bracket Compatible with Golight Lights - JL Series JEEP Wrangler - Passenger's Side

Product ID: 243726

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The VMP-AP-FCA-JL-RH from Larson Electronics is a No Drill JEEP Mounting Bracket for Golight Radioray or Stryker Spotlights that is designed for the passenger`s side of any JL Series JEEP Wrangler. This JEEP mounting bracket does not require any drilling or fabrication of any kind as it utilizes preexisting holes found on the JEEP`s windshield frame for mounting. The VMP-AP-FCA-JL-RH allows JEEP owners to add an additional spotlight to their vehicle with minimal effort and maximum convenience.

The VMP-AP-FCA-JL-RH is a laser cut powder coated mounting bracket for Golight Radioray or Stryker spotlights that is compatible with any JL Series JEEP Wrangler and is designed for the passenger`s side of the vehicle. This mounting bracket is laser cut for precision from heavy duty 3/16" plate steel and then powder coated with a black finish for both aesthetics and corrosion resistance. The VMP-AP-FCA-

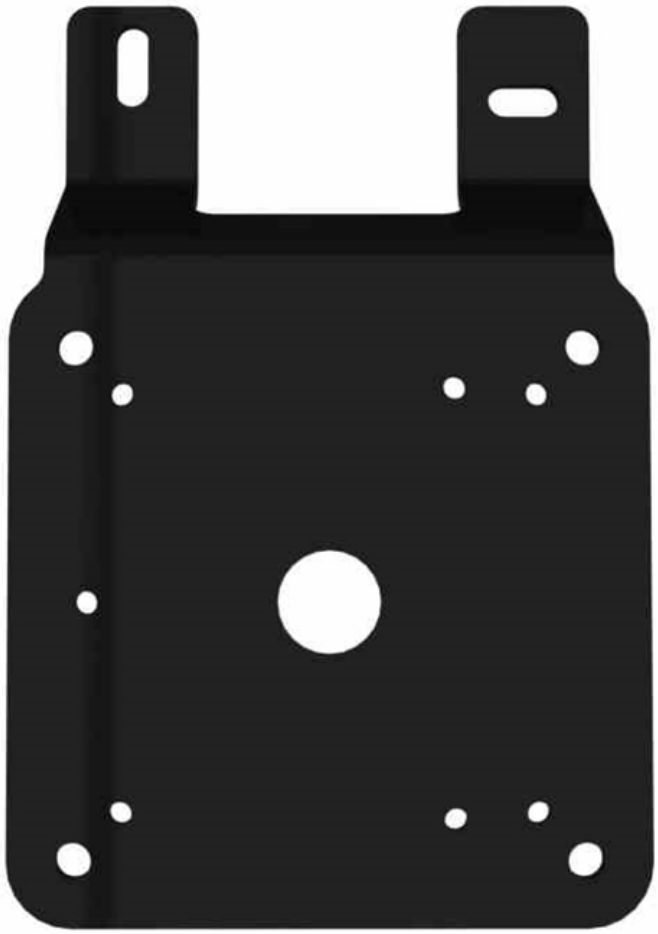

JL-RH measures approximately 6.2" by 6.2" in size and includes both the hardware necessary to attach Golight Radioray or Stryker spotlights to the mounting bracket and the hardware that is required to mount the bracket to the JEEP`s windshield frame support mount. All included hardware is stainless steel.
