Product ID: 265580

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The IND-AEF-CS-12.18.8 from Larson Electronics is a Carbon Steel Enclosure for holding and protecting equipment in industrial sites. Featuring tack welded construction, this unit offers 1,728 cubic inches of space and a flip lid cover. The NEMA 3R enclosure is finished in ANSI-61 gray (smooth).

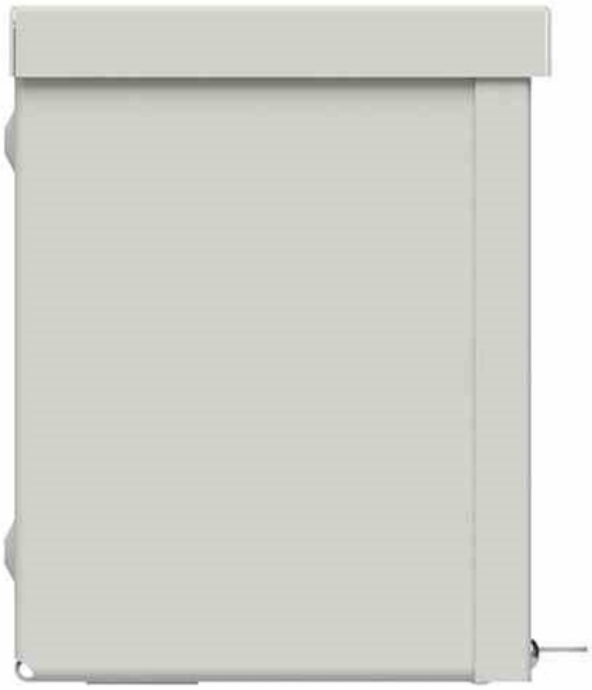

The carbon steel enclosure measures 12" x 18" x 8" and takes on tack welded construction. This unit features 1,728 cubic inches of space for customer-provided equipment. Internal components are accessible via a flip lid, slip-on reversible cover that is fastened with screws. Constructed of 14-gauge carbon steel with an ANSI-61 gray smooth finish, a NEMA 3R rating indicates that the enclosure provides a degree of protection against the ingress of water and debris. The industrial enclosure contains a drip shield and meter seal provisions.

Mounting: The IND-AEF-CS-12.18.8 is compatible with wall mounting applications, via back-located mounting holes.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
