

GPF-AES-30X30-1227

Motorized Louvers for 30" Fan - 100-240V, 50/60Hz - Galvanized Steel

Product ID: 266953

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

GPF-AES-30X30-1227 - Industrial Shutter

Unit Type: Motorized Louvers

Opening Required: 31" x 31"

Flange Width: 1 1/2"

Fan Diameter: 30"

Frame Less Flange: 30" sq. in.

Overall Square: 33" x 33"

Weight: -

Voltage: 100-240V, 50/60Hz

Panels: 1

Free Area: 5.679 sq ft

Operation: Power Open, Spring Return

Materials: Galvanized Steel

Mount Position: Horizontal or Vertical

Motor Bracket Extension: 10 1/4"

The Larson Electronics GPF-AES-30X30-1227 Industrial Shutter offers a sustainable way to reduce heating and cooling costs, achieving optimal indoor climate control. These louvers help usher fresh air in and stale air out. Open/close operation is achieved via a 100-240V motor. This unit is made out of galvanized steel.

The GPF-AES-30X30-1227 is a heavy-duty motorized shutter with power open, spring return operation. This unit operates on 100-240V, 50/60Hz. Suitable for single panels, the motorized louvers require a 31" x 31" opening and is recommended for 30" diameter fans. Suitable for intake or exhaust applications,

the shutters are constructed of galvanized steel. This unit can be mounted in horizontal or vertical positions and has a 10 1/4" motor bracket extension.

Applications: industrial buildings, fans, commercial sites, warehouses, manufacturing and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories.
